EXPERIENCE

RYNE.DEV

Remote

Freelance Website Developer

2025

- Developed and deployed full-stack website ranging from portfolio websites to dashboard-style systems
- Handled complete development lifecycle independently, including UI/UX design, CMS integration, API logic, and production deployment
- Improved client workflows, SEO visibility, and site performance through optimized data-fetching, responsive design, and performance tuning
- Led all client communication, from requirement gathering and mockup presentation to revisions and final delivery

LEADERSHIP & ACTIVITIES

CEBU SCHOOLS ATHLETICS FOUNDATION, INC. (CESAFI)

Cebu City

Head of Website Operations and Development

2025

- Led a 5-person development team in building and maintaining the official CESAFI website
- Coordinated with department heads, media teams, writers, and league operators to integrate features and content across match schedules, results, and editorial coverage
- Improved website UI/UX and centralized live updates, boosting traffic and user engagement during peak tournament seasons
- Oversaw full-stack development operations, ensuring timely updates, system scalability, and cross-team collaboration

CESAFI ESPORTS LEAGUE

Cebu City

Head of Productions

2023 - 2025

- Directed end-to-end production for livestreams, broadcasts, and highlight reels using OBS, vMix, Adobe Photoshop, and Premiere Pro
- Managed a 20-person production team, ensuring consistent stream quality, technical reliability, and seamless event execution
- Independently designed and developed the CESAFI Esports League website, providing a centralized platform for live coverage, match results, and team information
- Oversaw technical layouts and venue coordination with major partners such as SM Seaside and Ayala Center Cebu, enhancing on-site production capabilities
